**CHECKS RETURNED FOR ANY REASON ARE SUBJECT TO IMMEDIATE PAYMENT PLUS \$35.00 RETURNED CHECK FEE**

The 2009 Weekend in Wildwood Payment Schedule divides the student cost of the trip into two required payments. The total amount due per student for 2009 is \$300.00. Money prepaid to this trip is refundable if the student named above does not attend the 2009 Weekend in Wildwood.\*

Any amount may be added to a student's trip fund account when accompanied by this form. Payments will be accepted at any scheduled Avonworth Band Boosters meeting, practice, or after competitions when a booster officer is present. Although payments in any amount will be accepted at any time, the following amounts must be received by the dates noted below.

\$150.00 due by March 15, 2009

Remaining \$150.00 due by April 15, 2009

\* Please note, per ABBA By-Laws, any money raised through fund-raising activity that is added to an individual trip fund account is raised in the name of the Avonworth Band Boosters Association and is forfeited by the student and is returned to the general fund account when that student leaves the band. Money added to the student's individual trip fund account through this payment plan is NOT fundraising and will be returned if the student does not participate in this trip or the amount added exceeds the student assessment for this trip. Transfers from an individual student's trip fund account may not exceed the balance in that account as of the requested date of transfer. Funds transferred from an individual trip fund account that exceeds the student assessment or in the event the student does not participate in this trip will be returned to the individual trip fund account. Outstanding moneys due to fundraising activities will be added to the total amount due before the child will be permitted to attend this event.
